Vorwort.

Der hier vorliegende Index verborum ist hervorgegangen aus einem ungeordneten Zettelverzeichnis sämtlicher im Kathaka vorkommenden Worte, das v. SCHROEDER vor mehr als zwanzig Jahren von der einzigen vollständigen Handschrift (Chambers 40 = Ch) hergestellt und mir bald darauf zur Bearbeitung übergeben hat. Siehe Kathakam vol I, p XIV. Wie aus den Bemerkungen dort hervorgeht, hatte v. SCHROEDER dabei wohl ursprünglich nur an ein alphabetisches Wörterverzeichnis zum Kathaka gedacht. Mir schien ein systematischer Index, allem schon im Hinblick auf die Linguisten, das erstrebenswertere Ziel zu sein. Dies Ziel ganz zu erreichen, war jedoch nach Lage der Dinge nicht mehr möglich. Denn ihm hatte ein Zettelmaterial zu entsprechen gehabt, das eine Unterscheidung zwischen Prosa und Mantra-Worten äußerlich zum Ausdruck gebracht, ferner das Verhältnis zwischen Proposition und Verbum sowie den Akzent der Formen, soweit er überliefert, berücksichtigt hatte. Das war hier nicht der Fall. Diese Lücken, die sich ja zur Genüge aus der Verschiedenheit der Absichten erklären, nachträglich aber zu beseitigen, war eine Aufgabe, der eben nur teilweise genügt werden konnte, wenn anders die aufgewandte Muhe und Zeit zu der Wichtigkeit des Gegenstandes in einem halbwegs vernünftigen Verhältnis bleiben sollte. Was ich somit hier vorlege, hält ungefähr die Mitte zwischen Wörterverzeichnis und systematischem Index und schließt sich in der Form noch am ehesten an an Whitney's Index verborum to the published text of the Atharvaveda (Journ of the Amer Or Soc vol XII, 1881 New Haven). Nur habe ich diesem gegenüber noch eine Reihe von Vereinfachungen vorgenommen.

- 1 Innerhalb eines und desselben Themas sind gleichlautende Formen nicht geschieden. Sie finden sich alle zusammen entweder an der Stelle, wohn die erste der Formen grammatisch gehört, oder am Schluß der übrigen Formen des Themas.
- 2 Nominalformen, die nur ein einziges Mal vorkommen, sind, von einigen seltneren Formen abgesehen, nicht erst im Stamm, sondern sogleich in der Form, die der Text bietet, angeführt, es sei denn, die lexikologische Reihenfolge erleide sonst eine Störung.
- 3 Für die Behandlung der Präpositionen in Verbindung mit Verbalformen sind nur zwei Fälle unterschieden. Präposition und Verbum sind durch ein dazwischenstehendes Wort (oder mehrere) von einander getrennt oder nicht getrennt. Ersterer Fall kommt durch einen Querstrich zwischen Präposition und Verbalform zum Ausdruck, letzterer durch Zusammenrückung beider zu einem einzigen Wort. In beiden Fällen ist die Präposition auch für sich allein notiert.

Die Verbesserungen, meist Druckfehler, die ich zum zweiten und dritten Band des *Kathaka* in der Deutschen Literaturzeitung 1911, p. 219 gegeben habe, sind für den Index vorausgesetzt. Zu den dort angeführten kommen noch hinzu:

vol I	p 3	Z 22	<i>bhrgunam</i> (st °nam)
	5	3	<i>luyamanasja</i> (st °manasja)
	„ 184	10	<i>bhvatryena</i> (st °vyena)
	„ 234	8	<i>varta</i> (st <i>varta</i>)
	„ 244	„ 17/18	<i>vansthūm</i> (st °tum)
vol II	„ 137	2	<i>janisyamanaya</i> (st °mānaja)
vol III	71	„ 6	<i>janisyamanam</i> (st °manam)
	98	10	<i>vasjastir</i> (st <i>vasi</i> °)
	„ 138	19	<i>vi vidian</i> (st <i>vidian</i>)
	„ 139	7	<i>jagara</i> (st <i>jagaras</i>)
	„ 146	„ 15	<i>Irmanas</i> (st °lanas)
	„ 167	„ 5	<i>sikataja</i> (st <i>sitakaja</i>)

Auf weitergehende Verbesserungen und Vorschläge wie sie für den ersten Band FISCHER in der Deutschen Literaturzeitung 1901, p. 1173 und CALAND in den Gott. Gel. Anzeigen 1900, p. 702 und sonst noch gegeben haben, glaubte ich mich nicht einzulassen zu dürfen. Denn ich hatte dem

v Schroffdrucken Text gegenüber mehr ein Amt zu verwalten als eine Meinung zum Ausdruck zu bringen

Eine „v“ vor der Indexzahl bezeichnet das fünfte Buch (Asamedha) im dritten Band 1, 1^o bedeutet, daß das betreffende Wort im ersten Kapitel des ersten Buches (Sihiraka) fünfmal vorkommt Am Schluß des Index befindet sich außer einigen Nachträgen und Verbesserungen zum Index selbst ein Verzeichnis der wichtigsten Literatur zum Kathaka die für ein weiteres Studium dieses alten und wichtigen Textes die Voraussetzung bildet.

Herr Prof Dr L v Schroff hat die große Liebenswürdigkeit mir über einige Punkte des Kathaka Textes seine persönliche Auffassung mitzuteilen Herr Dr W v N. erfrügte mich durch eine Anzahl von Bemerkungen zu meinem im Jahre 1899 vollends fertigen Manuskript das ich erst am 1 Mai 1911 abschließen konnte Herr stud. H v Grasse hat unterstützt mich bei der Korrektur der ersten Hälfte der Arbeit

Der kaiserlichen Akademie der Wissenschaften in Wien die den vollen Betrag der Druckkosten zu übernehmen bereitwilligst erklärt hat sei an dieser Stelle mein ehrerbietigster Dank ausgesprochen
